

METAL SPINNERS INC.

REACH POLICY

Metal Spinners Incorporated recognizes and understands the importance of complying with the objectives of the European Union regulation regarding the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH). We understand the need to register under REACH all the substances that are manufactured or imported into the European Union (EU) in accordance with REACH reporting requirements.

Metal Spinners Incorporated has evaluated and will continue to evaluate products that are directly impacted by REACH, by using internal supplier evaluations forms, audit processes and REACH guidance documents.

Should you have any questions regarding our position or compliance with REACH, please contact Metal Spinners Incorporated Corporate Environmental, Health & Safety Manager for assistance at 260-665-3244.
