

# STONE GUARD

## Paving Stone Protection Sheeting

- Available in a wide variety of diamond patterns from small to large depending on the application.
- Available in different Mil thicknesses to suit your specific application to protect your finished product
- Manual Applications – pre-cut sheets custom cut to size
- Automatic Applications – 3' and 4' rolls in 700' & 900' lengths
- Automatic Dispensing Equipment available

### **BENEFITS OF SAMUEL STONE GUARD:**

- Allows paving stones to breathe.
- The diamond pattern has high ridge points which aid in the separation of paving stones
- Allows humidity to escape which aids in the prevention of moisture damage staining finished products
- Helps to prevent scratches and abrasion on paving during transit
- Most economical & functional solutions to protect paving stones on the market today.

	Product Code	Material	Size
