SMARTER PACKAGING SOLUTIONS

Samuel Packaging Systems Group offers the SLP-10 panel and veneer press that can be outfitted with a variety of strapping heads and your choice of steel or polyester strapping – a smart solution for durable packaging of panel products.

The SLP-10 can be custom designed to suit your specific needs, with up to 10,000 lbs. of top and side compression force. Bunk carriage magazines and flat fibre edge protector dispensers ensure complete package protection while providing complete automation.

Experience the Samuel advantage by contacting us today!
